

gst-inspect-1.0 h266enc

Factory Details:

Rank	none (0)
Long-name	h266enc
Klass	Codec/Encoder/Video
Description	H266 Encoder
Author	Advait Rajjvaed <adwait.sambare@interdigital.com>, Erwan Le Blond <erwanleblond@gmail.com>

Plugin Details:

Name	h266enc
Description	A GStreamer plugin for VVC Encoder For Linux
Filename	/usr/lib/x86_64-linux-gnu/gstreamer-1.0/libgsth266enc.so
Version	0.1.0
License	unknown
Source module	gsth266enc
Binary package	GStreamer H.266 Encoder Plugin
Origin URL	https://github.com/dradenvandewind/GstH266Enc

GObject

```
+----GInitiallyUnowned
  +----GstObject
    +----GstElement
      +----GstVideoEncoder
        +----Gsth266enc
```

Implemented Interfaces:

GstPreset

Element Flags:

Pad Templates:

SINK template: 'sink'
Availability: Always
Capabilities:
video/x-raw
framerate: [0/1, 2147483647/1]
width: [1, 2147483647]
height: [1, 2147483647]
format: { (string)I420, (string)I420_10LE }

SRC template: 'src'

Availability: Always
Capabilities:
video/x-h266
framerate: [0/1, 2147483647/1]
width: [16, 2147483647]
height: [16, 2147483647]
stream-format: byte-stream
alignment: au
profile: { (string)main-10 }

Element has no clocking capabilities.
Element has no URI handling capabilities.

Pads:

SINK: 'sink'
Pad Template: 'sink'
SRC: 'src'
Pad Template: 'src'

Element Properties:

bitrate	: Bitrate in kbit/sec flags: readable, writable, changeable in NULL, READY, PAUSED or PLAYING state Unsigned Integer. Range: 1 - 102400000 Default: 10000000
min-force-key-unit-interval	: Minimum interval between force-keyunit requests in nanoseconds flags: readable, writable Unsigned Integer64. Range: 0 - 18446744073709551615 Default: 0
name	: The name of the object flags: readable, writable String. Default: "h266enc0"
parent	: The parent of the object flags: readable, writable Object of type "GstObject"
qos	: Handle Quality-of-Service events from downstream flags: readable, writable Boolean. Default: false
qp	: QP for P slices in (implied) CQP mode (-1 = disabled) flags: readable, writable Integer. Range: -1 - 51 Default: 32
